Join the PURE Breakthrough

Join Affectus at an all-inclusive annual two-day Workshop. You will Pause, Unearth, Review and Expand. Breakthrough!

Perhaps you are someone who looks forward no matter how average you feel or how unfocused you are.

You regularly look for opportunities to know more about yourself and find out more about yourself so that your impact is greater and more purposeful.

You want your affect to be bigger - more positive.

Now is the time to re-examine you and your affect.

Your affect will be greater when you have a chance to think, review, pause and focus.

It will be a far simpler process to make a greater impact if you have had a chance to step out of the business of your daily routine and get a clearer picture of you, your values, your skills and abilities and your why.

That's exactly what you will discover attending and engaging in these two days of change and direction.

Affectus has been researching and writing about challenges. It seems something happens when we look at the challenge and say yes.

How have you learned to face challenges? Wouldn't it be good to understand this about yourself? And imagine how much more insight and understanding you could bring to finding your why if you had a handle on this self-knowledge?

Yep you will cover this

Imagine if you could identify where you want to be and at the same time quiet those “naysayer voices” we all have.

Imagine if you could see clearly a pathway to your purpose.

Yep you will cover this

Think about how better your day-to-day would be if you could communicate more efficiently to be able to hear what is needed and be in the moment.

Consider how many messages would be clear and audible so that you could synthesise and respond.

Yep you will cover this

You will also have time to talk, write, walk, contemplate, eat and drink.

All you have to do is get to the location - Q Station, North Heads, Manly for dinner on 26 November 2019.
