Growing Leaders

National Vegetable and Onion Leadership Program

Do you want to make a difference?

Are you looking for workplace and organisational solution?

Apply for Growing Leaders

2027 Growing Leaders
National Vegetable and Onion Industry Leadership Program

The Deets

Built for the industry, delivered with energy

- *Tailored:* content shaped around the specific needs of the Australian vegetable and onion industries.
- *Industry-tested:* developed and refined with experienced industry leaders.
- *Engaging:* Jill Briggs and the Affectus team run energetic, interactive sessions so every participant learns.
- *Funded:* delivered through Vegetable and Onion Funds, Hort Innovation using the vegetable and onion research and development levies, with contributions from the Australian Government.

Who should apply?

Growers: ready to take your business and your leadership to the next level.
Processors: keen to lead teams and shape the future of the industry.
Wholesalers: looking to build influence across the supply chain.
Extension professionals & service providers: wanting to grow your impact on the people you support.

Anyone in the vegetable and onion industry with the drive to lead at a personal, business and national level.

Your 2027 journey: 6 months, 3 residentials, 9 days that change everything

Residential 1 – Adelaide: 16–18 March. Kick off your leadership journey.
Residential 2 – Melbourne: 8–10 June. Held in conjunction with Hort Connections.
Residential 3 – Canberra: 14–16 September. Finish strong at the heart of national decision-making.

Join the next generation of industry leaders.
Apply for 2027 Growing Leaders today.
